

## Of Mice and Men Workshops and Events

4 February - 28 May 2016 UK Tour

### Of Mice and Men Page-to-stage

A fully interactive workshop held in the auditorium and on stage. This masterclass is held at each of our touring venues prior to a performance and lasts for sixty minutes. It explores the creative choices available to directors, designers and actors and focuses on the text to create a gripping and honest performance on stage. Students are taken through a scene from the play and shown how analysis of the text helps to bring the play to life.

### Of Mice and Men Post show Q&A

An evening post show Q&A with members of the cast. No booking necessary, just stay seated after the show. Please check with your theatre when this event is taking place.
